# BURGUNDY 2014 En Primeur

Jasper Morris MW  
BURGUNDY DIRECTOR

ヴィンテージの特徴は収穫時期のタイミングやその年の気候、ブドウの出来不出来で決まります。雹害にあう年もあれば、ワイン評論家から絶賛される年もあります。ブルゴーニュの2014年は比較的冷涼な夏で収穫時期も比較的早めでした。雹には降られましたが、白ワインは最高の出来、赤ワインも非常に良い出来だと評価されることになるでしょう。生産量は2013年と同じかそれ以上のものもありますが、最近の前年平均を下回ることが多く、これが価格の上昇を招いています。しかし、幸いにも今年は換算レートが有利に働いたため、今回のオファーではほとんどのワインを2013年よりも低い価格、そして結果として2012年の価格よりも安く皆様にご案内できることとなり、非常に嬉しく思っています。価格のところに“POA”と表示されているアイテムに関しては、1月6日の発売開始と同時に価格が確定いたします。昨年同様、各生産者の欄は、生産者紹介とヴィンテージ説明の2部構成になっており、イタリック体で書かれた生産者情報は、その生産者についてあまり詳しくない方にとっては便利な情報だと思います。今年はオファーの全てのワインに関してテイastingノートがありますが、ジェネリックなブルゴーニュワインについては紹介を省略しています。これらについては、[bbr.com/burgundy2014](http://bbr.com/burgundy2014)の方に別リストとしてご紹介しています。

## ヴィンテージ

ブドウの生育状態に関する詳しい情報は**bbr.com/vintagereport**からご覧いただけます。素晴らしい春の気候が最高の開花時期をもたらし、健康なブドウが育つ環境が整っていましたが、6月28日に大嵐が来たために3年連続でこの年も雹害を受け、ムルソー、ヴォルネイ、ポマール、ボーヌのブドウ栽培家の望みは断たれました。その後冷涼な夏が来たために、ワインに新鮮さが生まれ、9月には晴天が戻ったため9月の2週目に収穫が行われました。この年は慌てて収穫をする必要がなく、結局ブドウは健康で良い状態に育ち、栽培家もホッと胸をなでおろしました。ただ一つ、オウトウショウジョウバエが発生するという問題が起きました。この攻撃的な昆虫は健康なブドウの粒を突き刺し、酸化腐敗を引き起こします。被害を受けたのはシャルドネよりピノ・ノワールの方で、住居や果樹園に近いコート・ドゥ・ニュイの一部の地域で被害が見られました。そのため栽培家には知的に対処することが求められ、この酸化腐敗したブドウを畑から出さない様に、そして選果台で必ず弾くように目を光らせる必要がありました。私達が試飲したワインの中にこの影響を受けているものはありませんでした。

## 白ワイン

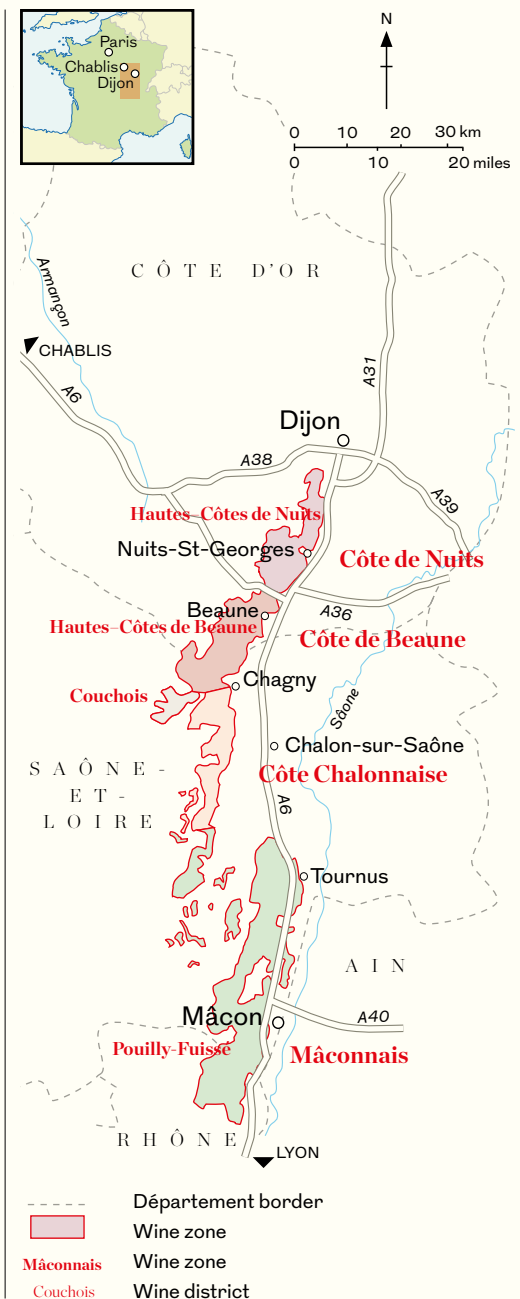

2014年は記憶に残る中で最も一貫して優良なヴィンテージです。グレートヴィンテージと呼ばれるワインにはすばらしい凝縮感と並外れた長い余韻が感じられるものです。だから2014年は優良という言葉を使うのが最もふさわしい年なのです。果実味とフレッシュ感があり、精度が高く、ミネラルと良い酸が感じられます。典型的な特徴は、過熟した黄色い果実ではなくフレッシュな白い果実が感じられるところです。バランスが非常に良く、若いうちから飲むことができ、且つ熟成もします。マコンからシャブリまでどの地域でも、そしてどのドメーンでも一貫して素晴らしいワインが造られています。全てのチェックポイントをクリアしています！

## 赤ワイン

上述のコメントのほとんどが赤ワインにも当てはまります。しかし一貫性は白ワインほどではありませんでした。コート・ドゥ・ボーヌでは非常に素晴らしい赤もありましたが、他は雹の影響が見られました。コート・ドゥ・ニュイでは、たまに収量があまりにも多くなり凝縮感を失ってしまった例がありましたが、それを除けば健闘が見られました。しかし、ほとんどのワインは果実味が前面に出たバランスの良いフレッシュ感あふれるワインで、エレガントで精度も高くそして親しみ易さもあり、安心して中期的な熟成を楽しめます。2014年ヴィンテージは、神話的な地位を獲得することは出来ないかもしれませんが、味わいでは大きな喜びを与えてくれるでしょう。

## キーポイント

- 多くの地域で今年も収穫量が少ない
- ほぼすべてのケースが2013年よりも低い価格
- ここ30年数年で最も優良な白
- 純粋で果実味豊かな赤、テロワールを重視している

# CÔTE DE BEAUNE Meursault

## Dominique Lafon

DOMINIQUE LAFON

*From 2008, Dominique Lafon decided to make a few wines under his own label, separate from the family domaine (Les Héretiers du Comte Lafon). Though this new company has the official status of a négociant, almost all the wines are in fact domaine bottlings from vineyards which Dominique either owns or has the contract to farm. The wines are now vinified, matured and bottled in cellars in Meursault, formerly belonging to Domaine René Manuel.*

Production of the Dominique Lafon wines has now moved to large cellars at the Château de Bligny, providing much better working conditions than previously. As a result of the hail, there is unlikely to be any village Volnay or Beaune Épenottes for us to offer. However, Dominique has found an excellent source of Beaune Vignes Franches this year to make up part of the shortfall. This *cuvée* apart, all the vineyards are managed by the Les Héretiers du Comte Lafon viticultural team, using the same methods. Starting this year, the wines will all be bottled using Diam30 corks.

## White

### BOURGOGNE BLANC

This is sourced from vineyards below Meursault and Puligny, and has been in bottle since September. The wine is completely beautiful – a lovely expression of fruit, with just the right amount of flesh and absolute precision. It's electric. It is hard to envisage a better example. Drink 2016-2018.

**E1509B** 12 x 75cl bottles in bond **£150.00**

### MEURSAULT

From Les Chaumes de Narvaux, also known as La Petite Montagne, this is a textbook modern Meursault. It's full of fruit yet not fat; fresh yet also with a richness behind it. Some lovely lemon-drop notes infuse the fruit. Exciting, dancing stuff. Drink 2017-2024.

**E1510B** 12 x 75cl bottles in bond **£420.00**

### MEURSAULT, LES NARVAUX

From one of Meursault's finest village vineyards, this displays apples and lemons up front, peaches and pears behind and class throughout. It opens out very nicely on the palate with a delicious tangy lingering finish and real persistence. Drink 2019-2026.

**E1511B** 12 x 75cl bottles in bond **£510.00**

### PULIGNY-MONTRACHET, CHAMPGAIN, 1ER CRU

Dominique's only white Premier Cru has a very clean, clear colour with the same crystalline purity on the nose, a little gunflint reduction, and lots of detail to the fruit. A wine of star-like brilliance, this is very linear, extremely persistent, lifted and lovely. Drink 2019-2028.

**E1512B** 6 x 75cl bottles in bond **£420.00**

## Red

### BEAUNE, VIGNES FRANCHES, 1ER CRU

Three barrels of this gorgeous red-purple wine were made. The nose is brilliant – perfumed and heady; the palate is one of beautiful deep red fruit, delicious and with a lovely texture, genial yet also classy. Dominique hopes to continue this vineyard in future: excellent news. Drink 2018-2024.

**E2014B** 6 x 75cl bottles in bond **£180.00**

### VOLNAY, LES LURETS, 1ER CRU

This Premier Cru Volnay displays vibrant purple fruit with a touch of wood. There is impressive weight to this and no signs of post-hail stress. The fruit is mouth-filling and the finish excellent. Although this is backward, it is nonetheless very promising. Drink 2018-2024.

**E1515B** 6 x 75cl bottles in bond **£255.00**

Prices are quoted by the case in bond and are inclusive of freight and insurance but exclusive of VAT and duty. Larger format bottles may be available on request.

## Domaine Bachelet-Monnot

### MARC AND ALEXANDRE BACHELET

*Brothers Marc and Alexandre created Domaine Bachelet-Monnot in 2005, renting some vines from their uncle (M. Monnot) in Maranges, where the Domaine is based, and others in Puligny-Montrachet from a third party. Their father's share of the family estate, Domaine Bernard Bachelet, was added in 2011. Domaine Bachelet-Monnot now farms 23 hectares in all, partly owned and partly leased long term. In the vineyards, no herbicide is used and the rows are ploughed regularly to manage weeds, aerate the soil, and cut the horizontal roots to encourage deep growth. The brothers have cut back on the amount of new wood used, now using an average of 25 percent, ranging from 10 percent for Bourgogne Blanc to one third for Grand Cru.*

The brothers Marc and Alexandre Bachelet are fiercely proud of their 2014 wines, as well they might be. This is a brilliant range! They picked their whites from 11th to 14th September and the reds from 16th. They report correct yields, a fraction below the ideal but no complaints. The wines show the same acidity as 2013 but with much more concentrated dry extract.

### White

#### MARANGES, LA FUSSIÈRE, 1ER CRU

From older vines. Pure pale yellow, with a light mineral nose, quite floral too, middleweight with predominantly white fruit notes, between apple and pear. The fragrance persists across the palate. Drink 2017-2021.

**JO715B** 6 x 75cl bottles in bond **£90.00**

#### CHASSAGNE-MONTRACHET

Clean, pure fresh, lovely tension here, fresh apple notes, very good persistence. A fine pure and clear rendition of Chassagne-Montrachet. Drink 2017-2021.

**JO716B** 6 x 75cl bottles in bond **£120.00**

#### MEURSAULT, CLOS DU CROMIN

Fine pure pale colour, very intense fruit, some plum some greengage, tightly knit, with a fine mineral finish, offering some of Meursault's classical roundness. Drink 2017-2022.

**JO717B** 6 x 75cl bottles in bond **£126.00**

#### PULIGNY-MONTRACHET

Fine pale primrose, lovely perfumed floral wine, very stylish while suggesting good density. Lovely texture in the mouth, a layer of velvet here, little touch of wood perhaps, but well integrated thanks to long slow fermentation. Superb finish. Drink 2018-2023.

**JO718B** 6 x 75cl bottles in bond **£132.00**

#### PULIGNY-MONTRACHET, LE HAMEAU DE BLAGNY, 1ER CRU

Pale straw with a green tint, fine mineral nose, starts very well in a fresh fine boned style then kicks on to a slightly fuller finish. Broadly satisfying. Drink 2018-2024.

**JO719B** 6 x 75cl bottles in bond **£180.00**

#### PULIGNY-MONTRACHET, LES REFERTS, 1ER CRU

Pale straw, excellent weight of fruit on the nose, though the detail is still to come. Superb on the palate, with ripe white fruit, perfectly integrated oak, and acidity, fabulous persistence. In short, a really brilliant wine from this vineyard. Very long, fine, intense finish. Drink 2018-2025.

**JO720B** 6 x 75cl bottles in bond **£210.00**

#### PULIGNY-MONTRACHET, LES FOLATIÈRES, 1ER CRU

Fine pale straw, a sense of nobility to the nose, pure white fruit, including some fresh but not green apple, richer and deeper notes on the palate, a magnificent wealth of fruit, slightly lower acidity than Les Referts or is it just the weight of fruit which hides it? Long and weighty. Drink 2019-2026.

**JO721B** 6 x 75cl bottles in bond **£228.00**

#### BÂTARD-MONTRACHET, GRAND CRU

Beautiful clear pale lemon with lime tints. A very chiselled noble nose, a roman profile, beautiful boundless minerals dancing around a palate of great weight. A little toasty touch but not at all disagreeable, this is really very youthful. Superb finish though. Drink 2020-2028.

**JO722B** 6 x 75cl bottles in bond **£870.00**

## Jean-Philippe Fichet

JEAN-PHILIPPE FICHET

*Jean-Philippe's big step forward came in 2000 when he moved the whole operation to splendid cellars at Le Creux du Coche by the Hôpital de Meursault. Fichet is looking for purity in his wines. He deals mostly with lieux-dits in Meursault with just one Premier Cru in Puligny. Constantly experimenting and refining, his wines have real definition and distinction, with the individual terroirs clearly exposed. The wines are raised in barrel for the first year, using larger demi-muids for the lesser appellations, then assembled in tank. A maximum of 30 percent new barrels is used on any cuvée.*

Jean-Philippe is serene in the knowledge of the quality of his 2014 vintage. The grapes were entirely healthy, there were no problems in vinification, the maturation process is happening as it should and the wines are set to give a great deal of pleasure all round. There is less reduction than last year, so they will be accessible reasonably early, while still having good keeping potential.

## White

### AUXEY-DURESSES

Pale colour with green tints, the fresh nose is grassy with spring flowers. A real bundle of energy, the wine is fresh and invigorating and with very good length. Very exciting. Drink 2017-2020.

**E1525B** 12 x 75cl bottles in bond 12 £168.00

### MEURSAULT

Pretty, fresh fruit on the nose, a lovely mix of ripe fruit and mineral components, makes for a very engaging wine, with plenty of detail to distract. Relatively forward, the wine is enhanced by a lovely finish with bright fruit. Drink 2018-2022.

**E1527B** 12 x 75cl bottles in bond 12 £270.00

### MEURSAULT, LES GRUYACHES

Fine, bright colour, this has a brilliantly concentrated nose, showing power and muscle, plus beautiful fruit. It is an astonishingly gorgeous mouthful of fruit with richness, density, and a lovely finish. This is accessible, adorable, but with the structure to age well. Drink 2019-2024.

**E1529B** 6 x 75cl bottles in bond 6 £168.00

### MEURSAULT, LES CHEVALIÈRES

Pure, clear and bright in colour with green tints; this is a fabulous, dancing wine, on the tips of its ballet-dancer feet, with beautiful oak integration. Really lively and very persistent, this has a fine feeling of elegance, and all white fruit. Drink 2018-2024.

**E1530B** 6 x 75cl bottles in bond 6 £210.00

## MEURSAULT, LE TESSON

Medium pale colour, the nose shows the volume of fruit to come. This is more backward than Gruyaches or Chevalières. It boasts an excellent mineral thread with greengage fruit, middleweight, structure and persistence. Drink 2020-2026.

**E1531B** 6 x 75cl bottles in bond 6 £210.00

## PULIGNY-MONTRACHET, LES REFERTS, 1ER CRU

The glory of this wine lies in the mouth-filling palate. It displays a wonderful mix of white fruits with excellent minerals running through. Fruit, flesh and structure are all in balance. The nose will take a little longer, though already some attractive floral notes can be teased out. Drink 2020-2028.

**E1532B** 6 x 75cl bottles in bond 6 £300.00

# CÔTE DE BEAUNE Volnay & Pommard

Prices are quoted by the case in bond and are inclusive of freight and insurance but exclusive of VAT and duty. Larger format bottles may be available on request.

## Domaine du Comte Armand

PAUL ZINETTI

*The family of the Comte Armand has owned the vineyard of Clos des Epeneaux in Pommard since 1826. The modern era began with the stewardship of Pascal Marchand (1985-1999) followed by Benjamin Leroux (1999-2014) and now Paul Zinetti, previously second-in-command to Benjamin, has taken over from the 2014 vintage. Further vineyards were acquired in 1994: Auxey-Duresses, Auxey-Duresses Premier Cru, Volnay and Volnay Frémiets.*

Paul Zinetti has replaced Benjamin Leroux as *régisseur* (general manager) at this famous estate. He has inherited a great position but also, alas, a tradition of hail-affected vintages. With this in mind, Paul has looked for lighter extraction in 2014, with less punching down than previously. He has been with the domaine for several years prior to taking over, so he is fully *au fait* with these vineyards. The village Auxey is a steal this year.

## Red

### AUXEY-DURESSSES

Coming from a mix of old and young vines which avoided the hail, Paul had an excellent crop with healthy grapes. This is very elegant for Auxey with a raft of fresh fruit, super acid balance, a faint tannin behind and real length and energy. Drink 2018-2020.

**E1580B** 6 x 75cl bottles in bond **€ £90.00**

### AUXEY-DURESSSES, 1ER CRU

Rich, deep and purple in colour with an impressive volume of fruit, there's greater density than the village wine and very good acidity here; this is crunchy but concentrated. Although less seductive than the village Auxey this is a serious wine for the medium term. Drink 2019-2022.

**E1581B** 6 x 75cl bottles in bond **€ £120.00**

### VOLNAY

Bright red in colour, with immediate deep red fruit aromatics, this has plenty of fruit and energy on the palate with a slightly firm finish which the fruit will grow through. Drink 2019-2024.

**E1582B** 6 x 75cl bottles in bond **€ £144.00**

### VOLNAY, FRÉMIETS, 1ER CRU

A lighter colour than the village Volnay but with a more perfumed nose, this is very elegant, capturing the ethereal nature of fine Volnay. Fresh and balanced on the palate, with attractive length, only three barrels were made. The light touch suits this wine well. Drink 2020-2025.

**E1583B** 6 x 75cl bottles in bond **€ £240.00**

### POMMARD, CLOS DES EPENEAUX, 1ER CRU

Just 12hl/ha but that is still better than 2012 or 2013. Made with 30 percent new wood, this is a glorious imperial purple; on the nose, it's really fragrant, lifted and lovely. To taste, there's raspberry fruit mixed with alpine strawberries, some darker fruit too, the whole stretching beautifully across the palate. It has medium density and a pure and stylish finish. There's a little touch of tannin at the back to remind us that it is Pommard – and a very fine one at that. Drink 2022-2030.

**E1584B** 6 x 75cl bottles in bond **€ £420.00**

## Benjamin Leroux

BENJAMIN LEROUX

*Having created a name for himself as régisseur (general manager) of Domaine du Comte Armand in Pommard from 1999 until 2014, Benjamin Leroux established a small négociant business based in Beaune in 2007. The emphasis is on Côte de Beaune whites and Côte de Nuits reds. The company also owns a small holding of Bâtard-Montrachet and since 2014 some vineyards in Meursault. In a short space of time Benjamin Leroux's wines have built an impressive reputation.*

“This is definitely the best vintage I have made in white,” says Benjamin. “The wines have great vineyard definition; I would just have loved to have made more. It is my style of vintage.” His reds, too, have gorgeous layers of ripe fruit, so 2014 is clearly a significant success all round for Benjamin.

Further *cuvées* are available from Benjamin and can be found at [www.bbr.com/burgundy2014](http://www.bbr.com/burgundy2014). Note – all the white wines will be bottled under top-quality screwcaps, StelvinLux Plus.

## White

### PULIGNY-MONTRACHET

From three vineyards, including Le Trézin at the top of the hill, this is particularly good for village wine. It is relatively full-bodied yet still very elegant, with a saline quality that seems typical of Puligny this year. Drink 2018-2022.

**E1590B** 6 x 75cl bottles in bond **£174.00**

### MEURSAULT, LES NARVAUX

From a favourite hillside vineyard, this has a pale straw colour, with a lovely, open aromatic white fruit nose, swelling fruit on the palate, perfect fruit/acid balance and very good length. Drink 2018-2022.

**E1587B** 6 x 75cl bottles in bond **£180.00**

### CHASSAGNE-MONTRACHET, LES BAUDINES, 1ER CRU

With a clear bright fresh colour, a chiselled, mineral nose and a classy, steely thread that runs through the concentrated white fruits, this has a really lovely pure finish. Drink 2019-2025.

**E1591B** 6 x 75cl bottles in bond **£210.00**

### CHASSAGNE-MONTRACHET, TÊTE DU CLOS, 1ER CRU

A bouquet of scented lemon fruit, with lifted purity and elegance, really kicks this wine off to a great start. There is huge energy behind it, yet it remains stylish and balanced. Followers will know just how fine this vineyard is. Drink 2019-2026.

**E1593B** 6 x 75cl bottles in bond **£264.00**

### MEURSAULT, GENEVRIÈRES-DESSUS, 1ER CRU

From Benjamin's own property, this is fine, bright and pure pale straw in the glass, with a brilliantly defined, chiselled nose. Fruit swells across the palate: there's delicious flesh and good persistence. This is a noble expression of Meursault. Drink 2019-2026.

**E1588B** 6 x 75cl bottles in bond **£330.00**

### BÂTARD-MONTRACHET, GRAND CRU

Only 2.5 barrels were made. Its bouquet is very dense but exceptionally backward, as befits a Grand Cru. On the palate, the fruit absolutely swells, with a very engaging lime mineral thread while all the expected weight remains in superb balance. This is incredibly persistent. Drink 2022-2030.

**E1595B** 6 x 75cl bottles in bond **£990.00**

## Red

### GEVREY-CHAMBERTIN

Rich purple in colour with good energy and pure red fruit on the nose, this shows real drive and tension on the palate. It has a fine-boned structure and excellent balance. Pure and classy. Drink 2018-2022.

**E1600B** 6 x 75cl bottles in bond **£168.00**

### GEVREY-CHAMBERTIN, AUX ETELOIS

This vineyard lies in a former quarry beneath Griotte-Chambertin. The wine is fresh purple in colour, with lovely sweet fruit. It is very stylish, and the pure raspberry notes are displayed with elegance. Drink 2019-2024.

**E1601B** 6 x 75cl bottles in bond **£180.00**

### GEVREY-CHAMBERTIN, LES CHAMPEAUX, 1ER CRU

The raspberry and blackberry fruit are really succulent this year: this is ripe but with fresh mineral touches. Les Champeaux is a cooler site, hence the detail and delicacy. Drink 2019-2025.

**E1602B** 6 x 75cl bottles in bond **£240.00**

### VOLNAY, CLOS DE LA CAVE DES DUCS, 1ER CRU

The bouquet offers brilliant, pure fruit with real energy along with a floral note of violets and dark cherries. We love this *cuvée*, which happily escaped the hail. This is hugely satisfying on the palate, with a fabulous long finish. Drink 2019-2024.

**E1599B** 6 x 75cl bottles in bond **£240.00**

### NUITS-ST GEORGES, AUX THOREY, 1ER CRU

With rich bright red fruit, this makes for a suave mouthful. It is really very elegant rather than the more plummy style of Nuits. The fine, full mouthful of red fruit is supported by notably fine-grained tannins. Drink 2019-2024.

**E1604B** 6 x 75cl bottles in bond **£255.00**

### VOSNE-ROMANÉE, LES SUCHOTS, 1ER CRU

Glowing purple, with a particularly fine and distinguished nose, this is fabulous in the mouth too: such density, such purity. With very good tannins behind, this is altogether a sensual and svelte Suchots. Drink 2020-2028.

**E1606B** 6 x 75cl bottles in bond **£498.00**

## Maison Camille Giroud

DAVID CROIX

*In January 2002, Maison Camille Giroud was bought by an American consortium led by banker Joe Wender and winery owner Ann Colgin, and a new chapter began. The business is managed by winemaker/technical director David Croix, who is overseeing a major revamping of the winemaking facilities and a programme of replacement and renewal of the old barrels to make wines in a much purer, more modern style. The company also owns 1.20ha of vineyards in and around Beaune.*

Tasting with David Croix at Camille Giroud is always a pleasure, especially so this year as the range of 2014s is delicious. David feels that the wines are all about drinkability and balance rather than exceptional power. His theory is that the great start to the growing season kept the vines healthy through the cool, damp summer.

## White

### CHASSAGNE-MONTRACHET, TÊTE DU CLOS, 1ER CRU

Coming from old vines with little bunches of grapes, this ripened early and so was picked on 14th September. This ripeness is seen in the fine, pale yellow colour, and the marvellous density of the fruit. This is an adorable wine from a favourite vineyard. Drink 2019-2024.

**E1635B** 6 x 75cl bottles in bond 6 **£240.00**

### CORTON-CHARLEMAGNE, GRAND CRU

This comes from east-facing vines in Le Rognet et Corton. The wine has impressive density and charm: the bouquet really sings with its fragrant lemon blossom and minerals. The palate continues in the same vein, filling the mouth with ripe but fresh fruit, leading to a tingling vibrant finish. Drink 2020-2028.

**E1636B** 6 x 75cl bottles in bond 6 **£390.00**

## Red

### SANTENAY

This is quite delicious. With a bright, rich purple appearance, and a nose that shows raspberry purée and real energy, this is a middleweight wine. Its quality shows on the finish; very good for village. Drink 2017-2021.

**E1639B** 12 x 75cl bottles in bond 12 **£150.00**

### MARANGES, LE CROIX MOINES, 1ER CRU

A fabulous wine from a less well-known appellation, this comes from very old vines set on a steep slope on white marl soil. It offers its usual delightful colour, with impressive concentration, really fresh crystalline notes, huge energy, and a great density of fruit with some cherry notes. Drink 2018-2024.

**E1641B** 12 x 75cl bottles in bond 12 **£180.00**

## VOLNAY

Bright, bubbling red with a lively raspberry fruit nose, this is an excellent, mouth-filling wine. It avoids the final firmness seen in some Volnays this year, offering instead some acidity hidden within the fruit. Very persistent. Drink 2018-2022.

**E1640B** 12 x 75cl bottles in bond 12 **£186.00**

### SANTENAY, CLOS ROUSSEAU, 1ER CRU

From an enclave known as Clos des Roches Noires, this boasts a noble, purple colour and a first-rate nose: there's real class here. One can find a certain opulence in the mouth, with red fruit flesh and very old vines; it tightens up just enough at the back to guarantee safe ageing. Drink 2019-2025.

**E1642B** 6 x 75cl bottles in bond 6 **£102.00**

### VOSNE-ROMANÉE, LES CHALANDINS

A brilliant, fresh, mid purple, this is gorgeous through the middle, with cherries and crushed strawberries, then a briary, smoky finish. Whole-bunch vinification combats the clay here. There's really good length; this is altogether classy. Drink 2018-2024.

**E1645B** 6 x 75cl bottles in bond 6 **£180.00**

### CORTON, LE CLOS DU ROI, GRAND CRU

An excellent, medium deep colour heralds an elegantly fragrant nose, with a great deal behind. This is sensitively handled – it's by no means a blockbuster and is very sensual in the mouth with a long finish. David's deft touch with Corton continues. Drink 2020-2028.

**E1647B** 6 x 75cl bottles in bond 6 **£270.00**

### GEVREY-CHAMBERTIN, LAVAUT SAINT-JACQUES, 1ER CRU

Made using 50 percent whole-bunch fermentation, this is bright red-purple, with spicy notes amid the lifted floral tones of the bouquet. On the palate, there's vibrant red fruit along with a savoury spicy texture. Very good length. Drink 2019-2024.

**E1650B** 6 x 75cl bottles in bond 6 **£270.00**

### CHARMES-CHAMBERTIN, GRAND CRU

David's deft hand has produced an elegant Charmes-Chambertin, which is very prettily perfumed, with fine raspberry fruit. Everything is as it should be structurally, with neither acidity nor tannins impeding the succulence of the fruit; this has an agreeably persistent finish. Drink 2019-2025.

**E1649B** 6 x 75cl bottles in bond 6 **£450.00**

### CLOS DE LA ROCHE, GRAND CRU

New for us in 2014, this is a discreet glowing mid-purple in the glass. A lovely svelte wine, it has savoury fruit on the nose, which continues through the palate towards a classy, deep-fruited finish. This is very well balanced, an excellent example of Clos de la Roche. Drink 2021-2029.

**E1995B** 6 x 75cl bottles in bond 6 **£600.00**

### CHAMBERTIN, GRAND CRU

When tasted in November this was very backward, with blackcurrant leaf notes; on the palate, however, there was really energetic, vibrant fruit, with huge density, lovely texture and a reverberating finish. This will develop into a great wine. Drink 2022-2030.

# CÔTE DE BEAUNE *Beaune*

## Domaine de Bellene

SYLVAIN DEBORD

*Having set up as a négociant in 1997, famed Burgundian winemaker Nicolas Potel branched out by creating his own domaine in 2007, renamed Domaine de Bellene from the following vintage. The domaine is housed in marvellous old cellars, renovated to an ecologically admirable standard ('Haute Qualité Environnementale'), on the Dijon road out of Beaune. The vineyards have been converted to organic farming, with some biodynamic elements. The man in charge on the technical side is Sylvain Debord.*

These are concentrated wines at Domaine de Bellene this year, and the vintage reminds Nicolas Potel of 1991. The wines came in with correct sugar levels, around 12.5 percent, and perfect acidities; they were vinified for a full month with minimal intervention, using whole bunches for the senior wines. The wines were due for bottling in early December.

## White

### ST ROMAIN

This is very clear, pale primrose in colour with a beautiful lemon-scented nose. There is both melon and lemon on the palate, which is very pure and delicious, clear and crisp with a superb finish. Overall, a beautiful, pure wine. Drink 2016-2019.

**E1958B** 12 x 75cl bottles in bond **£126.00**

## Red

### SAVIGNY-LÈS-BEAUNE, VIEILLES VIGNES

Fine, fresh and red-purple in the glass, this has attractive, accessible fruit on the nose. On the palate, this has lovely bright raspberry notes and a very good acid balance. Enough structure behind for medium-term longevity. Drink 2018-2023.

**E1948B** 12 x 75cl bottles in bond **£156.00**

### BEAUNE, LES GRÈVES, 1ER CRU

From vines planted in 1904 comes this very dense, concentrated, fruit-rich purple wine. There's some dryness from the stems and an immense weight of fruit on the palate. This is a really impressive expression of Beaune, marrying the seductive quality of the vintage with the intensity of old vines. Drink 2020-2030.

**E1378B** 6 x 75cl bottles in bond **£180.00**

### VOSNE-ROMANÉE, LES QUARTIERS DE NUITS

From vines planted in 1927, this is fine, bright purple in the glass. On the palate it is fresh, agreeable and very lively with more minerals than tannins or acidity. This is fine-boned Vosne, with good ripeness of both fruit and stems. Very persistent. Drink 2019-2026.

**E1379B** 6 x 75cl bottles in bond **£180.00**

### NUITS-ST GEORGES, AUX CHAIGNOTS, 1ER CRU

Rich purple in colour, with a fine, concentrated nose, this has a marvellous density of fruit, a wealth of plums and deep raspberries. The stems bring up a drier finish. This has lots of structure and is very impressive. Drink 2022-2030.

**E1950B** 6 x 75cl bottles in bond **£228.00**

### VOSNE-ROMANÉE, LES SUCHOTS, 1ER CRU

Glorious purple, this is floral yet with heady red fruit too. The stems add an element of structure to the wealth of fruit. Then we come to a really magical finish, with a sense of grace. Superb potential. Drink 2022-2030.

**E1380B** 6 x 75cl bottles in bond **£360.00**

Prices are quoted by the case in bond and are inclusive of freight and insurance but exclusive of VAT and duty. Larger format bottles may be available on request.

## Maison Roche de Bellene

NICOLAS POTEL

*Nicolas Potel decided to set up his own négociant business after the death of his father in 1996 and the subsequent sale of Domaine de la Pousse d'Or which his father had been managing. He sold the business to the Cottin brothers in 2004, but parted company with his new owners in spring 2009. Instead he has developed his own Maison Roche de Bellene in Beaune, an excellent source of predominantly red wines, from Bourgogne Rouge to the Grands Crus of the Côte de Nuits. His hallmark has been to make wines which respect both their vineyard provenance and the style of the vintage while remaining attractively priced.*

“A vintage of pure happiness,” enthuses Nicolas Potel. He rightly retains enthusiasm for Burgundy as a whole and his own wines in particular, though his life has been made more difficult by the explosion of prices for grapes on the open market. However these *cuvées* make sense to us: we tasted a wide range and picked out the plums.

### White

#### MEURSAULT, LES CHEVALIÈRES

Pale lemon-yellow, with a lemon verbena nose, this is really fine and balanced on the palate, with good fruit weight. There is a little touch of graphite helping to retain a mineral freshness. Drink 2017-2021.

**E1959B** 12 x 75cl bottles in bond 12 £228.00

### Red

#### VOLNAY, CUVÉE RÉSERVE

Medium red, this has a slightly inky nose and a bit of graphite. Good, ripe, red fruit on the palate becomes quite succulent in the glass with attractive, dark fruit and some length. This wine has avoided the dry tannins which can result from too much extraction. Drink 2018-2022.

**E1964B** 12 x 75cl bottles in bond 12 £201.00

#### CORTON, LE ROGNET, GRAND CRU

Glowing purple, with vigorous raspberry fruit, there is lots of energy here; the result of smart winemaking on fine *terroir*. There is good fruit-to-acid balance, and the wine is certainly very lively at the finish, with excellent fruit weight. Drink 2019-2026.

**E2007B** 6 x 75cl bottles in bond 6 £210.00

#### VOSNE-ROMANÉE, LES BEAUX MONTS, 1ER CRU

Medium deep, bright purple with a healthy heady nose, the use of some whole bunches adds a touch of zest. There follows good, ripe, berry fruit, lively and attractive, more raspberry than strawberry in flavour. The acidity is well harnessed, and the finish admirably persistent. This offers remarkable value in 2014. Drink 2019-2026.

**E2006B** 6 x 75cl bottles in bond 6 £315.00

#### ECHÉZEAUX, GRAND CRU

Dense, ripe purple with an exuberant nose, this offers a full, richly fruited mouthful, with attractive detail, weight and good length. The oak is integrating nicely. A very pretty, floral style of Echézeaux. Drink 2020-2026.

**E1969B** 6 x 75cl bottles in bond 6 £534.00

#### CHAMBERTIN, CLOS DE BÈZE, GRAND CRU

This was our pick between the Clos de Bèze and the Chambertin this year. Middleweight, this has bright, elegant fruit on its refined nose. The wine is attractive, floral, graceful through the middle, then comes up nicely behind. Notably floral, and very persistent. Drink 2022-2030.

**E1970B** 6 x 75cl bottles in bond 6 £870.00

## Sylvain Loichet

SYLVAIN LOICHET

*The Loichets come from Comblanchien at the southern end of the Côte de Nuits, as well known for its marble quarrying industry as for its vines. Indeed the previous two generations of Loichets have been stone masons rather than vigneron but they kept ownership of their vineyards such as Clos de Vougeot and Ladoix which the talented Sylvain has taken back. He has moved operations to a beautiful 18th-century manor house in Chorey-lès-Beaune and has expanded the range of wines on offer.*

This was a near-perfect harvest for Sylvain, with scarcely any need to sort the healthy grapes, and better volumes across the piece apart from a little hail in Ladoix. He has cut back on his *négociant* activities and all the wines below are from his own domaine. The whites are predictably beautiful this year and the reds much less reductive than in the past.

### White

#### LADOIX, BOIS DE GRÉCHONS

The wine from this *monopole* is clear, pure and fresh in colour, with a green tint. This has a very pure, chiselled nose, then the perfumed exotic fruits, Muscat and peach notes emerge behind. There is lovely flesh which is nicely balanced by the acidity and a very long, perfumed finish. This is a very complete wine, in its fascinating, idiosyncratic way. Very satisfying. Drink 2017-2020.

**E1625B** 12 x 75cl bottles in bond 12 £180.00

#### LADOIX, LES GRÉCHONS, 1ER CRU

With a fine, pale, straw colour, this has a richer riper nose than the village wine. Some oak, a little apple and apricot: this is full-bodied and quite exotic, with some fresh minerals behind. It is crisp at the back despite the weight. Drink 2018-2022.

**E1626B** 12 x 75cl bottles in bond 12 £210.00

#### CORTON-CHARLEMAGNE, GRAND CRU

Made from a blend of En Charlemagne and Le Corton, this has a fine, pale colour with a faint straw tint, and some green hints. The nose shows Grand Cru quality while remaining discreet. Subtle notes of ripe fruit, some peach and a little bit of banana give way to rich fruit and some powerful structure which does not yet quite knit together. There is a huge amount of weight here and this will all integrate. Drink 2020-2026.

**E1627B** 6 x 75cl bottles in bond 6 £390.00

### Red

#### CÔTE DE NUITS VILLAGES, AUX MONTAGNES

Bright glowing purple, the nose is discreet but shows a potential wealth of fruit. Very attractive, this has rounded dark raspberry fruits, with a little bit of structure behind for the ageing process. An excellent finish completes the wine. Drink 2017-2020.

**E1985B** 12 x 75cl bottles in bond 12 £120.00

#### CÔTE DE NUITS VILLAGES, EN CHANTEMERLE

Sylvain enthuses about the quality of the *Pinot Noir Fin* vines on *riparia* rootstock here. They produce very small bunches and grapes. Rich, ripe, purple, this has explosive fruit: a bit of blackberry though still predominantly red fruit (raspberry in particular). There is excellent density on the palate, with dark fruit, a little blackcurrant leaf, excellent structure and a little mineral crunch. This is mouth-filling and delicious. Drink 2017-2021.

**E1986B** 12 x 75cl bottles in bond 12 £132.00

## Domaine de la Vougeraie

PIERRE VINCENT

*Based in Premeaux just south of Nuits-St Georges, Domaine de la Vougeraie was created in 1999 when Jean-Claude Boisset decided to group together all the vineyard holdings of the various négociant companies he had acquired over the years. Pascal Marchand was put in charge in 1999, with Bernard Zito in the vineyards, which are farmed biodynamically. Pascal produced powerful wines, fairly heavily extracted in his early vintages but clearly moving to a softer style by 2004. The wines have been made subsequently by Pierre Vincent who has maintained the more delicate approach. Top-quality vineyards continue to be added, especially Grand Cru whites in recent vintages.*

The domaine has developed its white wine holdings, with four new *cuvées* this year, arising out of Boisset's purchase of Vincent Girardin's business. Girardin had farming arrangements in Puligny-Montrachet, Puligny-Montrachet Champ Gain Premier Cru, Bienvenues-Bâtard-Montrachet Grand Cru and a tiny holding of Chevalier-Montrachet: Monsieur Boisset has now bought these vineyards. As well as these excellent whites, Pierre Vincent considers 2014 to be one of his best red wine vintages, with something in common with 2006 and 2010.

## White

### PULIGNY-MONTRACHET

The fruit used here comes from the Noyers Bret and Rue de Vache vineyards. There is a tiny bit of hazelnut alongside spring flowers. Juicy yet refined, the palate has pure white fruit, excellent energy and a long finish. Drink 2018-2022.

**E2009B** 6 x 75cl bottles in bond **6 £168.00**

### VOUGEOT, CLOS DU PRIEURÉ

Pure, pale colour, this is quite stylish with lovely gunflint and more character than we have ever seen before. Juicy and mineral, it makes one salivate, filled with really pretty white fruit. Well worth looking at. Drink 2018-2024.

**E1707B** 6 x 75cl bottles in bond **6 £168.00**

### PULIGNY-MONTRACHET, CHAMP GAIN, 1ER CRU

This new (to the domaine) Premier Cru has a discreet bouquet, then a fine rich mouthful, with white fruit and some flowers, exemplary length and lovely acid balance. Drink 2019-2025.

**E2010B** 6 x 75cl bottles in bond **6 £270.00**

### VOUGEOT, LE CLOS BLANC DE VOUGEOT, 1ER CRU

Pure, glowing white with a pale yellow tinge, this is – as always – one of Burgundy's great white wines. There is a lovely layer of flesh and fruit, a marvellous intense backbone and a generous, almost smoky, intensely long finish. Beneficial reduction is woven in throughout. Drink 2019-2026.

**E1708B** 6 x 75cl bottles in bond **6 £270.00**

## CHARLEMAGNE, GRAND CRU

Made with fruit from En Charlemagne and Le Charlemagne, this has a pale colour with green tints and a smoky, reductive nose. This starts as really backward but the stony minerality soon begins to leap out. Underneath lies a really brilliant wine, and the desired minerals certainly show through. Drink 2020-2028.

**E1709B** 6 x 75cl bottles in bond **6 £450.00**

## BÂTARD-MONTRACHET, GRAND CRU

This wine was in a very backward state when we tasted in November, so the detail of the fruit was not evident; however the desired weight of fruit is certainly there. It has an enormous concentration on the palate, completed by sparkling acidity and energy. Potentially mind-blowing. Drink 2022-2030.

**E1710B** 6 x 75cl bottles in bond **6 £885.00**

## BIENVENUES-BÂTARD-MONTRACHET, GRAND CRU

Pure, bright colour, there is a touch of beneficial reduction, while demonstrating the softer approach of Bienvenues-Bâtard-Montrachet compared to neighbouring Bâtard. This is a graceful, ethereal wine, absolutely singing; with the flowers, fruit and minerals all perfectly blended in. Enormously long and really seductive. Drink 2020-2029.

**E2011B** 6 x 75cl bottles in bond **6 £930.00**

## Red

### VOUGEOT, CLOS DU PRIEURÉ

This is a beautiful, pure purple with a very heady, lifted, floral note (having undergone 75 percent whole-bunch vinification). Elegance personified, this is really stylish, not heavy but classy. Fine, perfumed red Burgundy. Drink 2018-2024.

**E2012B** 6 x 75cl bottles in bond **6 £168.00**

## GEVREY-CHAMBERTIN, LES EVOCELLES

Glorious purple, the nose is layered with deliciously rich cherries, more fruit than stems. There is an appealing structure to this, dancing heady fruit and good freshness. A fine vineyard, well interpreted. Drink 2019-2024.

**E1712B** 6 x 75cl bottles in bond **6 £168.00**

## CHAMBOLLE-MUSIGNY

This is sourced from seven plots, including 25 percent Premier Cru fruit from Gruenchers and Baudes. Medium deep, bright purple with a marvellously sensual aroma, this is very succulent in the mouth with the stems (65 percent) adding a lively touch to the finish, and a little strawberry in the background. Drink 2019-2024.

**E1714B** 6 x 75cl bottles in bond **6 £198.00**

## NUITS-ST GEORGES, CLOS DE THOREY, 1ER CRU

Medium deep red-purple, this has beautiful elegance for a Nuits-St Georges; a really graceful wine which also has impressive density. Very lovely. Drink 2020-2026.

**E1717B** 6 x 75cl bottles in bond **6 £198.00**

## CLOS DE VOUGEOT, GRAND CRU

Bright, fresh purple, the Vougeraie Clos de Vougeot is very tightly wound, with lifted fruit, spice and high-quality raspberry notes. There is exactly the right structure behind, just enough to support the fruit which dances across the palate. Pierre Vincent's fine touch at its best. Drink 2022-2030.

**E1719B** 6 x 75cl bottles in bond **6 £408.00**

## Domaine Guyon

JEAN-PIERRE GUYON

*This excellent domaine in Vosne-Romanée has been below most people's radar – perhaps because Jean-Pierre Guyon spends as much of his time as possible out in the vineyards which have been farmed organically since 2006, certified from 2012. With his high pedigree viticulture as a great starting point, Jean-Pierre can employ whole-bunch fermentation as the stalks are ripe, eschewing the use of sulphur at this stage, though some is added later during élevage and at bottling to assure stability.*

We discovered Jean-Pierre Guyon's amazing wines last year, just in time to offer his 2013s in the summer, so this is his first entry in our *en primeur* offering. This is a domaine worth discovering, producing intense wines with layers of complexity waiting to unfold. There is no question about the concentration here in 2014 – these are certainly wines for keeping.

## Red

### SAVIGNY-LÈS-BEAUNE, LES PEUILLETS, 1ER CRU

Concentrated purple, some blackcurrant leaf notes complement the richly dense fruit, with good weight and some elegance. The fruit fills the mouth very well, indeed almost with a high-class Côte de Nuits feel to it. The ripe, rounded fruit at the back is complemented by the vibrant stems. Please don't pass over this because it is called Savigny and not Vosne; it is a really charming wine. Drink 2018-2022.

**E1760B** 6 x 75cl bottles in bond **€ £120.00**

### VOSNE-ROMANÉE

This has a rich, purple colour and a silky, fleshy, Vosne-Romanée nose with violets. Ripe fruit – very attractive, silky and graceful – is followed by a further explosion of fruit, really lifted, red rather than black berries, with dancing, ripe redcurrants. Drink 2019-2024.

**E1761B** 6 x 75cl bottles in bond **€ £189.00**

### VOSNE-ROMANÉE, LES CHARMES DE MAZIÈRES

Since 1999 Jean-Pierre has made a separate picking from the 60-year-old vines throughout his plots. The wine is no deeper in colour, but the fruit absolutely swells across the palate, offering gorgeous density and an almost sultry texture along with a perfect, structural acidity behind. A keeper for sure. Drink 2020-2026.

**E1762B** 6 x 75cl bottles in bond **€ £240.00**

### VOSNE-ROMANÉE, LES BRÛLÉES, 1ER CRU

Dense purple with a darker centre, this is lifted and elegant at first. A weight of almost sweet fruit with a little pepperiness is followed by some tannins. Not yet together, but it's getting into place. Very long and complex. Drink 2020-2028.

**E1763B** 6 x 75cl bottles in bond **€ £396.00**

### VOSNE-ROMANÉE, EN ORVEAUX, 1ER CRU

This wine has extraordinary finesse, delivering fruit and flowers together on the nose, very silky red-purple fruit. The tannins here are beautifully covered by the flesh and an enormously persistent finish. What amazing elegance: this is truly fabulous, cool, precise, and floral. Drink 2020-2028.

**E1764B** 6 x 75cl bottles in bond **€ £396.00**

### CLOS VOUGEOT, GRAND CRU

Ancient vines make a real difference here. The colour is a dense black-purple, and the nose is really concentrated. The wine has broad shoulders but a slim waist, with a touch more oak, but only in a supporting role. There is a real sweetness through the middle and then a crunchy, dark-fruit finish. This will develop into an impressive Clos de Vougeot. Drink 2022-2030.

**E1765B** 6 x 75cl bottles in bond **€ £570.00**

### ECHEZEAUX, GRAND CRU

From the bit of En Orveaux which is Grand Cru, this wine has a glorious, full, purple colour. This is complex and satisfying, with a heavenly floral nose – red roses according to Jean-Pierre – then massive intensity for Echezeaux, but with a silky, subtlety as well. The volume of fruit shows again at the back. This has marvellous intensity. Yes please. Drink 2022-2030.

**E1766B** 6 x 75cl bottles in bond **€ £594.00**

## Domaine Joliet

BÉNIGNE JOLIET

*There are certain vineyard sites up and down the Côte d'Or which have been recognised for centuries as being outstanding locations. One such is the Clos de la Perrière in Fixin, just north of Gevrey-Chambertin, founded by the monks of Cîteaux in the early 12th century. Dr Lavalley (1855) noted it as a Tête de Cuvée making wines which kept for longer than any others of the Côte d'Or. The Joliet family purchased the Manoir de la Perrière and its attendant vines in 1853. Bénigne, who has bought out other family members so as to be able to run the domaine as he wants, is the sixth generation of the family.*

Bénigne Joliet began picking on 20th September, for four days, then went back to finish a late-ripening plot on 27th. He chose not to extract much because the colour and fruit were emerging easily in the vinification tanks of their own accord. The produce of the young vines and the *vin de presse* have been declassified. Clearly there is the necessary attention to detail here.

## Red

### FIXIN, CLOS DE LA PERRIÈRE, 1ER CRU

Punchy purple in colour, there is a little reductive touch to the nose. The red fruit offers beautiful, sweet fruit, harmony and persistence: this is really impressive. With real bounce and vigour, this is one for those who do not know Fixin to discover. Drink 2019-2026.
